

YOUR FUTURE BEGINS AT SAIT.

Technology is who we are — it's what we do.

Southern Alberta Institute of Technology (SAIT) has been a pillar in Calgary, Alberta, Canada for **more than 100 years**. Opening its doors in 1916, SAIT has gained a global reputation for providing hands-on, technology-driven learning that creates job ready graduates.

Offering 100+ degree, diploma and certificate programs across a wide range of areas like business, transportation, engineering, digital technology, health and public safety and more, SAIT equips students with the skills they need for successful careers. Plus, **international students studying at SAIT might also be eligible for a post-graduation work permit (PGWP)**.

Whether you're looking to take the first step, advance or change careers, SAIT's philosophy of lifelong learning will support you on your path.

CALGARY

A PERFECT PLACE TO CALL HOME.

Calgary has a strong economy, vibrant arts and culture scene and diverse communities. All this combined with our close proximity to outdoor adventures within the city as well as in nearby Banff and the Canadian Rockies, Calgary is an awesome place to live, learn and play. It's no wonder Calgary is ranked in the top 10 of the most liveable cities in the world.* **You'll feel right at home here.**

Calgary is the third fastest growing tech market**

The city enjoys 333 days of sunshine each year

Enjoy lower living costs compared to Toronto, Vancouver and Montreal

Calgary has the highest personal income per capita in Canada

*Economist Intelligence Unit's 2023 annual ranking of the world's most liveable cities

**Calgary Economic Development 2023.

PROFESSIONAL CERTIFICATE SUPPLY CHAIN MANAGEMENT

PGWP ELIGIBLE
CIP: 52.0203

MEDIAN SALARY
\$74,000 PER YEAR

CERTIFICATE
PROGRAM

DURATION
1 YEAR

PROGRAM OVERVIEW

Successful global businesses rely on efficient operations and supply chain management. Professionals in Supply Chain Management utilize their technical expertise to establish reliable and effective supply operations that enhance productivity and customer satisfaction. By mastering these valuable skills, you can access a promising career in diverse industries such as transportation, manufacturing, and oil and gas. This applied program taught by industry-certified SAIT instructors delivers valuable technical and practical knowledge in partnership with Supply Chain Canada and GoLean Six Sigma on essential components of the supply chain process and the tools & techniques used by supply chain management practitioners for success. You'll learn about operations, procurement, logistics, performance analytics, and how to establish, maintain and enhance an efficient chain process.

ADMISSION REQUIREMENTS

- A post-secondary degree or diploma.
- Must demonstrate [English Language Proficiency](#) prior to admission.

CAREER OPPORTUNITIES

- Production Logistics Coordinator | NOC 13201
- Purchasing Manager | NOC 10012
- Supervisor, Motor Transport and other Ground Transit Operator | NOC 72024
- Supervisor, Supply Chain, Tracking and Scheduling, Coordination | NOC 12013

CREDENTIALS AND PROFESSIONAL CERTIFICATIONS

- SAIT Professional Certificate – Supply Chain Management credential.
- SAIT micro credential ([SAITMicro](#)) digital badge for eligible courses
- Supply Chain Training (SMT) Diploma credential issued by Supply Chain Canada.
- You'll also be prepared to challenge the Lean Six Sigma Yellow Belt certification exam.

CREDIT VS. NON-CREDIT

SAIT offers credit and non-credit programming. Non-credit programming allows working professionals to learn valuable skills that can help them advance their career opportunities. SAIT Continuing Education and Professional Studies delivers Professional Certificate programs as well as other non-credit credential programs. The Professional Certificate credential complies with Provincial and Federal Government policies and requirements, as well as SAIT policies, enabling successful international students to be eligible for a Study Permit, work part-time while studying, and Post-Graduation Work Permit (PGWP).
